EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. 77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give

notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

DOMINION ORDERS IN COUNCIL.

P.C. No. 92.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 18TH JANUARY, 1923.

THE Committee of the Privy Council have had before them a report dated 22nd December, 1922, from the Minister of the Interior, submitting that the Vancouver, Victoria, and Eastern Railway and Navigation Company has applied for a lease for railway purposes, for those certain parcels or tracts of land comprising portions of Lots Forty-nine and Fifty, Block Two Suburban, and Lots Six and Seven, Block Three Suburban, in the townsite of Hope, in the Fifth Township, in the Twenty-sixth Range, west of the sixth meridian, in the Province of British Columbia, as the said lots are shown on a plan of the said townsite approved and confirmed by E. Deville, Surveyor-General of Dominion Lands on the twenty-second day of October, one thousand nine hundred and eight, and of record in the Department of the Interior under number fourteen thousand four hundred and seven, and which parcels may be more particularly described as follows:—

Firstly: All that portion of said Lot Forty-nine lying to the south of the Canadian Northern Pacific station-grounds and shown coloured green on the Vancouver, Victoria and Eastern Railway and Navigation Company Plan, Profile, Book of Reference, showing constructed division-yard, connections with the Kettle Valley Railway and Canadian Northern Pacific Railway lands required, and streets and lanes to be closed, approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the twentieth day of September, one thousand nine hundred and twenty, and of record in the Department of the Interior under number thirty thousand and ninety-two, and containing by admeasurement one acre and twenty-three hundredths of an acre, more or less.

Secondly: All the northerly four hundred and thirty-three feet of said Lot Fifty shown on the said plan of record in the Department of the Interior under number thirty thousand and ninety-two, and containing by admeasurement three acres and fifty-eight hundredths of an acre, more or less.

Thirdly: Beginning at a wooden post at the north-westerly corner of said Lot Seven; thence southerly along the westerly boundary of the said lot a distance of three hundred and fifty feet to a point; thence on a bearing of ten degrees and twelve minutes, a distance of four hundred and thirty-two feet, more or less, to the southerly limit of the southerly leg of the right-of-way, leased for the purpose of a wye to the Canadian Northern Pacific Railway Company, as shown on a plan of the said wye, approved and confirmed by T. Shanks, for the Surveyor-General of Dominion Lands, on the sixth day of June, one thousand nine hundred and twenty-two, and of record in the Department of the Interior under number thirty-one thousand four hundred and forty; thence westerly along the said southerly limit of the said right-of-way to its point of intersection with the westerly boundary of said Lot Six; thence southerly along the said westerly boundary a distance of seventy-six feet and fifty-two hundredths of a foot, more or less, to the point of beginning; containing by admeasurement one acre and forty-three hundredths of an acre, more or less.

All the lands herein described as shown within a hatched border on the plan attached hereto and containing by admeasurement six acres and twenty-four hundredths of an acre, more or less; all the said bearings being astronomical and referred to the astronomical meridian through the centre of the said township.

The lands applied for have for some years been reserved for railway purposes, and the Board of Railway Commissioners reports that there is no reason why the land should not be leased to the Company. The lands applied for are vacant and available.

The Minister therefore recommends that he be authorized to issue a lease to the Vancouver, Vic-

torian and Eastern Railway and Navigation Company for the lands as above described, the lease to be for a term of five years at an annual rental of five dollars per acre and subject to cancellation upon six months' notice by the Minister of the Interior, and to be on such terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 5648-mh15

P.C. No. 423.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 8th day of March, 1923.

PRESENT:

HIS EXCELLENCY THE GOVERNOR- GENERAL IN COUNCIL.

WHEREAS by an Order in Council dated the 6th October, 1919 (P.C. 2044), provision was made that the coal-mining rights, the property of the Crown, in Townships 55, 56, 57, 58, and 59, in Ranges 7, 8, and 9, west of the 6th initial meridian, shall be withdrawn from disposal under the provisions of the Coal-mining Regulations established by Order in Council of the 20th April, 1910, and the amendments thereto, and shall form a coal reservation in the northern portion of the Province of Alberta:

And whereas by an Order in Council dated the 18th January, 1923 (P.C. 91), provision was made that section 17 of the Coal-mining Regulations, above referred to, be amended by adding the following thereto:—

“Provided that if at any time after a lease has been cancelled through failure to pay the prescribed rental, the person in whose favour the lease stood recorded on the date of cancellation applies to the mining recorder for the district for reinstatement in the rights which he formerly had to such lease, and tenders the full amount of the rental which should have been paid to maintain the lease in good standing, with interest, such person may be reinstated in the right which he formerly had to the location sought to be reacquired, or to any portion thereof which may still be available.”

And whereas the reservation created by Order in Council dated the 6th October, 1919, was for the public benefit, and should therefore extend as far as possible to all the lands within the townships described in the said order:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the provisions of the Order in Council of the 18th January, 1923 (P.C. 91) above quoted, providing for reinstatement, shall not apply to coal-mining leases comprising any portions of Townships 55, 56, 57, 58, and 59, in Ranges 7, 8, and 9 west of the 6th initial meridian, which have in the past been, or which may in the future be cancelled in the records of the Department of the Interior, owing to failure to comply fully with any of the provisions of the regulations under which such leases may have been granted.

Clerk of the Privy Council.

The Minister of the Interior. 5660-mh22

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 26TH FEBRUARY, 1923.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1923, from the Minister of the Interior, submitting that the Government of the Province of British Columbia has applied, under the provisions of subsection (1) of section 16A of the “Dominion Forest Reserves and Parks Act,” as amended by section 2 of chapter 17 of the Statutes of Canada, 1919, for

a grant of the surface rights, together with the minerals, within the meaning of the “Mineral Act” of the said Province, located in the undermentioned lands, and has complied with the provisions of the Order in Council of the 13th May, 1899, by filing the sworn declarations of a Dominion land surveyor to the effect that the lands in question are of no value for agricultural purposes or for the timber growing thereon, and has paid therefor, at the rate of \$1 per acre, the sum of \$152.90, the said lands being:

That certain parcel or tract of land situate in Section Two in the Nineteenth Township, in the Twenty-third Range, west of the sixth meridian, in the Province of British Columbia, comprising the Forge Mineral Claim, being Lot Four thousand five hundred and seventy-four; the Cindar Mineral Claim, being Lot Four thousand five hundred and seventy-five; and the Glossie Mineral Claim, being Lot Four thousand five hundred and seventy-six, all in the Ashcroft Mining Division of the Kamloops Division of Yale District, in the said Province, which said parcel may be more particularly described as follows:—

Commencing at an iron post in a stone mound distant two hundred and forty-one feet and eight-tenths of a foot, more or less, north, and one thousand four hundred and thirty-seven feet and one-tenth of a foot, more or less, west, from a wooden post in a stone pile marking the north-east corner of the south-east quarter of Section Two as the said quarter-section is shown on the plan of the said Township Nineteen, approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the ninth day of March, one thousand nine hundred and four; thence south four degrees and two minutes east a distance of one thousand five hundred feet, more or less, to an iron post; thence south eighty-five degrees and fifty-eight minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north four degrees and two minutes west a distance of one thousand four hundred and ninety-nine feet and four-tenths of a foot, more or less, to a wooden post in a stone mound; thence south six degrees and forty-six minutes west a distance of twenty-nine feet and six-tenths of a foot, more or less, to a wooden post in a stone mound; thence south one degree and sixteen minutes east a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence south eighty-eight degrees and forty-four minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north one degree and sixteen minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north eighty-eight degrees and forty-four minutes east a distance of six hundred and forty-two feet and eight-tenths of a foot, more or less, to an iron post in a stone mound; thence north nine degrees and fourteen minutes west a distance of one thousand three hundred and eighty-one feet and two-tenths of a foot, more or less, to an iron post in a stone mound; thence north eighty degrees and forty-six minutes east a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence south nine degrees and fourteen minutes east a distance of one thousand five hundred and thirty feet, more or less, to an iron post in a stone mound; thence north eighty-five degrees and fifty-eight minutes east a distance of eight hundred and fifty-four feet and four-tenths of a foot, more or less, to the point of commencement; the said parcel containing by admeasurement one hundred and fifty-two acres and nine-tenths of an acre, more or less; all the said bearings being astronomical; all according to the plans and field-notes of the said Forge, Cindar, and Glossie Mineral Claims signed by W. S. Drewry, Dominion Land Surveyor, on the eighteenth day of February, one thousand nine hundred and twenty, and of record in the Department of the Interior, Ottawa, under number seventeen thousand four hundred and eighty-two.

The Minister further submits that the aforementioned mineral claims situate in the Nicola Forest Reserve were recorded in accordance with the British Columbia “Mineral Act” before the establishment of the said forest reserve, and that the amount of money expended in the development

of these mining claims renders advisable the transfer of the surface and under rights to the Province.

The Minister therefore recommends that the surface rights, together with the minerals, within the meaning of the "Mineral Act" of the Province of British Columbia, located in the above-mentioned lands, comprising one hundred and fifty-two acres and nine-tenths of an acre (152.9) acres, be declared vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia under the provisions of clauses (a) and (b) of subsection (1) of section 16A of the "Dominion Forest Reserves and Parks Act," as amended by section 2 of chapter 17 of the Statutes of Canada, 1919.

The Committee concur in the foregoing and submit the same for Your Excellency's approval.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 26TH FEBRUARY, 1923.

THE Committee of the Privy Council have had before them a report, dated 29th December, 1922, from the Minister of the Interior, submitting that application has been made on behalf of the Tranquille Sanatorium to purchase as an addition to the Tranquille Farm the following described land:—

That certain parcel or tract of land comprising that part of Fractional Legal Subdivision Seven lying north of the north boundary of the land described as "low land liable to flooding" in Section Twenty-five, in the Twentieth Township, in the Nineteenth Range, west of the sixth meridian, in the Province of British Columbia, as the said parcel is shown upon a plan of the north-east quarter of said township approved and confirmed by T. Shanks for the Surveyor-General of Dominion Lands on the twenty-third day of March, one thousand nine hundred and twenty-two, excepting thereout and therefrom the right-of-way of the Canadian Northern Pacific Railway, now the Canadian National Railways, as shown upon a plan of survey of the said right-of-way signed by G. M. Christie, Dominion Land Surveyor, on the twenty-eighth day of July, one thousand nine hundred and seventeen, and of record in the Land Registry Office in the City of Kamloops under number A two hundred and forty-four, a duplicate copy of which was approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the third day of February, one thousand nine hundred and nineteen, and which is of record in the Department of the Interior, Ottawa, under number twenty-seven thousand eight hundred and seventy-three, the said parcel containing by admeasurement twenty-seven acres and three-tenths of an acre, more or less.

An officer of the Department of the Interior has reported that six acres of the above-described land has been placed under cultivation by the Anti-Tuberculosis Society, the former owners of the Sanatorium and Farm, and that the land applied for is worth five dollars per acre.

The land applied for adjoins an area held by the Tranquille Sanatorium and is no doubt required in connection with the enlargement of the farm. The purchase price has been paid in full.

The Tranquille Farm and Sanatorium have been transferred to the Province of British Columbia, and the Minister recommends that title to the above-described land be and the same is hereby vested in the Crown as represented by the Province of British Columbia.

The Committee concur in the foregoing recommendation and submit the same for approval.

DOMINION ORDERS IN COUNCIL.

P.C. No. 382.

THE FOLLOWING IS A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 5TH MARCH, 1923.

THE Committee of the Privy Council have had before them a report dated 20th February, 1923, from the Minister of the Interior, submitting that Letters Patent for the North-east Quarter of Section 30, Township 16, east of the Coast meridian, in the Province of British Columbia, were granted on the 13th October, 1894, to Samuel James Glassey, farmer, now deceased.

Proceedings in the Exchequer Court of Canada were instituted to set aside the above Letters Patent as having been issued through error and improvidence, in that they did not contain a reservation of the merchantable timber on the land.

The Minister states that Order in Council of 6th June, 1918 (P.C. 1292), provides that every patent, lease, licence, homestead entry, or other grant hereafter made of any Dominion lands within the Railway Belt shall be subject to a reservation providing for the taking of any areas required for the exercise of the privileges granted by any water licence, subject to payment by the licensee of such compensation as may be provided in like cases by the Provincial Acts and regulations.

The Minister further states that Order in Council of the 22nd June, 1918 (P.C. 1509), provides that every homestead entry, contract of sale, lease, licence, or any other form of occupancy, patent or other grant hereafter issued of any Dominion lands within the Railway Belt shall be subject to a reservation providing for the taking of an area for road allowances.

The present owners of the above land desire to secure fresh Letters Patent without the two above-mentioned reservations which have been enforced since the date of the original grant to the late Mr. Glassey, and there would appear to be no objection to acceding to their request.

The Minister therefore recommends, notwithstanding the reservations in the Orders in Council of 6th June, 1918, and 22nd June, 1918, that he be authorized to issue new Letters Patent for the North-east Quarter of Section 30, Township 16, east of the Coast meridian, without the reservations as provided therein.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

P.C. No. 91.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 18th day of January, 1923.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS by section 17 of the Coal-mining Regulations, approved by Order in Council dated the 20th April, 1910 (P.C. 729), it is provided that if during the term of the lease the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to the immediate forfeiture of all the rights granted thereunder:

And whereas a large number of coal-mining leases have been cancelled in the records of the Department of the Interior, owing to non-payment of the prescribed rental, and applications have subsequently been made by the former recorded owners of such cancelled leases for permission to make payment of all arrears of rental and interest due, in order to obtain reinstatement in the rights which they formerly had to such cancelled leases:

And whereas it would appear to be advisable that

a person who has incurred a considerable expenditure in connection with a coal-mining location, but who has suffered the lease thereof to be cancelled through failure to comply fully with the provisions of the regulations in respect of the payment of rental, should have the right to reinstatement, provided payment is made in full of all arrears due to the Crown for rental and interest:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that section 17 of the Coal-mining Regulations, approved by Order in Council dated the 20th April, 1910 (P.C. 729), above referred to, shall be and the same is hereby amended by adding the following thereto:—

"Provided that if at any time after a lease has been cancelled through failure to pay the prescribed rental the person in whose favour the lease stood recorded on the date of cancellation applied to the Mining Recorder for the district for reinstatement in the rights which he formerly had to such lease, and tenders the full amount of the rental which should have been paid to maintain the lease in good standing, with interest, such person may be reinstated in the right which he formerly had to the location sought to be reacquired, or to any portion thereof, which may still be available."

Clerk of the Privy Council.

IN THE SUPREME COURT OF BRITISH COLUMBIA.

IN THE MATTER OF CANADA COPPER CORPORATION, LIMITED (NON-PERSONAL LIABILITY).

Between The Equitable Trust Company of New York, Plaintiff, and Canada Copper Corporation, Limited (Non-Personal Liability), Canada Copper Corporation, Limited, Lucius W. Mayer, Allen H. Rogers, Casimer I. Stralem, Newman Erb, Esdras L. Gruver, Arthur I. Ronaghan, and H. R. van Wagenen, Defendants.

TAKE NOTICE that by an order of His Lordship Mr. Justice W. A. Macdonald, made in action in the Supreme Court of British Columbia, The Equitable Trust Company of New York vs. Canada Copper Corporation, Limited (Non-Personal Liability), Canada Copper Corporation, Limited, Lucius W. Mayer, Allen H. Rogers, Casimer I. Stralem, Newman Erb, Esdras L. Gruver, Arthur I. Ronaghan, and H. R. van Wagenen, and numbered E 270/1923, and dated the 23rd day of March, 1923, it was ordered that publication by advertisement in the following newspapers—namely, once in the British Columbia Gazette, the Victoria Colonist, the Vancouver Daily Province, the Seattle Post-Intelligencer, the Spokane Chronicle, the New York Times, the New York Tribune, and the San Francisco Examiner—of notice of the judgment in the said action and of the memorandum prescribed by Order XVI. Rule 43, of the Rules of the Supreme Court, and of the reciting order, should be deemed good service of the said judgment upon all the holders of bonds issued by the defendant, the Canada Copper Corporation, Limited (Non-

personal liability), secured by a deed of trust and mortgage dated the 1st of November, 1917, and that the time within which the said holders of bonds were to apply to discharge, vary, or add to the said judgment was to be one calendar month after the date of the last publication of the said notice.

And further take notice that by the said judgment dated the 23rd day of March, 1923, it was declared that the trusts of the said deed of trust and mortgage ought to be performed and carried into execution by the Court, and that the plaintiff is entitled to a first charge upon the undertakings of the defendant companies and all their and each of their present and future properties and assets for securing the repayment of the principal moneys and interest secured by the deed of trust and mortgage and the bonds in the pleadings mentioned, and it was ordered that the following inquiries and account be made and taken by the District Registrar of the Supreme Court of British Columbia at Vancouver, namely:—

- (b.) An inquiry of what the property comprised in the said deed consists and in whom the same is vested;
- (c.) An inquiry what other encumbrances affect the property comprised in or charged by the said deed of trust and mortgage;

- (e.) An inquiry of what are the priorities of such other encumbrances and the said bonds respectively;
- (f.) An account of what is due to the plaintiff as trustee of the said deed of trust and mortgage;

and that affidavits be admissible in evidence upon the making of such inquiries and the taking of such accounts.

And further take notice that by the said judgment dated the 23rd day of March, 1923, it was ordered that all the properties and assets of the defendant companies, including the right, title, and interest of the plaintiff under the said deed of trust and mortgage to and in all the real and personal property of the defendant companies situate in the State of Washington, be sold, with the approbation of the Judge, by open bidding in one lot by J. F. Mather, District Registrar of the Supreme Court of British Columbia, at his office in the Court-house in the City of Vancouver on the 7th of May, 1923, at the hour of 10 o'clock in the forenoon, with liberty to adjourn the sale from time to time, the plaintiff to have the conduct of the sale; and that any of the holders of the said bonds be at liberty to bid at the sale thereof and to become the purchasers thereof, and to set off against so much of the purchase price as may be in excess of the total of the costs, charges, and expenses of the trustee, the costs of the action, and the costs of sale such a proportion of the nominal amount of the bonds held by the persons so purchasing as the net purchase-money as aforesaid may bear to the nominal amount of the said bonds outstanding, and that a reserved bidding be fixed by the Judge, and that an abstract of title be dispensed with, and that the particulars and conditions of sale be settled by the District Registrar of the Supreme Court of British Columbia at Vancouver and approved by the Judge; and that notice of the said sale be advertised twice a week for four consecutive weeks, commencing with the week beginning the 26th of March, 1923, in the *Victoria Colonist*, the *Vancouver Daily Province*, the *Seattle Post-Intelligencer*, the *Spokane Chronicle*, the *New York Times*, the *New York Tribune*, and the *San Francisco Examiner*, and by four insertions in the *British Columbia Gazette*, commencing on the 29th of March, 1923, and that the form of such advertisement be settled by the District Registrar of the Supreme Court of British Columbia at Vancouver and be signed by him.

And further take notice that by the said judgment dated the 23rd day of March, 1923, it was ordered that the defendants and each of them, their and each of their agents, servants, workmen, and all other persons, be and they were thereby restrained from interfering with, transferring, or selling or disposing of, or in any manner whatsoever disturbing any part of the property comprised in the said deed of trust and mortgage, and that further consideration be reserved.

And further take notice that from the date of this advertisement you will be bound by the proceedings in the said action in the same manner as if you had originally been made a party, and that you may on entering an appearance at the District Registry of the Supreme Court of British Columbia at Vancouver attend the proceedings under the said judgment dated the 23rd day of March, 1923, and that you may, within one calendar month after the publication of the last of the advertisements authorized as aforesaid, apply to the Supreme Court of British Columbia to discharge, vary, or add to the said judgment dated the 23rd day of March, 1923.
